## PRESBYTERIAN REVIVAL IN PROGRESS THIS WEEK.

Marriage of Popular Young People—Returned From Wedding Tour—Death of Mrs. Mortensen Caused by Cancer—Visiting at Bellingham, Washington—Visitors From Mencham and Walla Walla.

Milton, Nov. 29.—George W. McConnell of Freewater, and Miss Ada Shumway, were married at 2 o'clock Sunday afternoon at Walla Walla, by Rev. Henry Brown, pastor of the M. E. church. Mr. and Mrs. McConnell will live in Freewater.

Miss Bessie Wright has gone to Bellingham, Wash., for a visit with her sister, Mrs. F. M. Galley.

Mr. and Mrs. R. E. Bean returned this morning from their wedding tour through the East. Mr. Bean will resume his duties at the O. R. & N. depot in a few days.

Mrs. E. P. Greene, formerly of Milton, but now of Walla Walla, is visiting Mrs. Elizabeth Hopson.

Presbyterian revival meetings are now in progress. Mr. Powers, a tenor soloist from the East, furnishes the

music. Rev. Needham, a noted evangelist, is expected here tomorrow to assist Rev. B. F. Harper.

Mrs. Ella Hanna of Meacham, who has been here visiting her parents, Mr. and Mrs. W. J. Neil, will leave this afternoon for home.

Mrs. C. P. Collins visited yesterday at Walla Walla.

Mrs. Louisa J. Pierce of Walla Walla, is visiting here.

Death Caused by Cancer.

Mrs. S. Mortensen died at her home here Saturday night of cancer. Funeral services were held yesterday at the Adventist church, and the body was interred in the I. O. O. F. cemetery. Mrs. Mortensen had been troubled with a cancer for nearly two years, and about a year ago underwent an operation. For a time she seemed to be entirely recovered, but a few months ago it again began to trouble her, and she finally succumbed to it.

## RIVER BOTTOM BEING CLEARED OF WOOD.

Roads Improved by Rails—The Foot Bridge Across the Umatilla Is Now Complete—R. E. Porter Building a New Residence—Social Club Organized by Young People for Winter Months—Joseph Snyder Has Moved His Residence.

North McKay, Nov. 29.—All the small irrigators have removed their wheels and flumes from the river in view of high water.

Persons who own woodland along the river are busy clearing and cutting the timber into cordwood. The wood brings \$4 and \$4.50 per cord, seasoned and hauled to Pendleton.

R. E. Porter, formerly of Meacham, who owns a place between the Daniels and Crownier places, is building a fine residence, 32x32.

W. P. Daniels has done some excellent rock work along the river, on the upper part of his place to protect it from the ravages of the flood.

Joe Snyder has moved his dwelling to the western end of his ranch.

The much talked of new road into this section has been opened up and put into shape, excepting where it crosses the tracks of the O. R. & N., and through the grounds of one citizen.

Mr. and Mrs. Dixon and their four daughters, who have been visiting with their relatives, J. S. Wheeler's family, have returned to their homes near Dayton, Wash.

Mrs. George B. Kidder, with her four children, are visiting relatives in Walla Walla. They are expected home today.

The new foot bridge is now completed, so that people cross upon it.

A terrific downpour of rain, lasting 15 or 20 minutes, on Sunday evening last, sent the floods down the gulches at a rate that recalled Heppner for the moment. Chicken coops and drowned chickens, rocks and weeds, and even railroad ties were scattered along the track in places. The rain is a boon to the wheat that is seeded, and will enable farmers to finish their work.

Jack Forth is erecting a very nice and cozy residence on his place near the mouth of Birch creek. Messrs. Kidder & Martin are the architects in charge.

A series of social entertainments has been inaugurated in this neighborhood. The young people meet once a week, alternating at different places on Friday evenings of each week. The time is spent in games and are conducted modestly and moderately.

Miss Ethel Wheeler is visiting with friends and relatives near Dayton, Wash.

## Fight Will Be Bitter.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by Tallman & Co., druggists. Price 50c and \$1.00. Trial bottles free."

## SAFE FOR ANOTHER YEAR.

Time Limit Expires for Challenge for 1905.

New York, Dec. 1.—It is now a certainty that there will be no race for the America's cup next year. The rules and regulations governing the races require that the challenging club shall give 10 months' notice in writing and as it is the general understanding that the races should be sailed in August or September it is now too late for a challenge to be received for a contest in 1905.

Nothing authoritative has been heard from Sir Thomas Lipton, but those well acquainted with the character and views of the man are inclined to the belief that he has merely postponed but not abandoned his attempt to secure the coveted trophy.

## Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Sold by druggists, 75c.

## To Get More Money.

Pittsburg, Pa., Dec. 1.—Employees of the southwest system of the Pennsylvania line west of Pittsburg are to benefit to the extent of about \$15,000 a month by the new wage scale which went into effect today. The increased wages apply principally to the freight train crews.

## Queen Alexandra Is 60.

# Thousands Have Kidney Trouble and Never Suspect It.

## How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

## What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
